SUBJECT: PARKING AT BROYHILL BUILDING

1. Present indications are that parking spaces at the Broyhill Building will be limited and will not be sufficient to take care of all OTR requirements. Therefore every effort should be made to establish additional car pools.

2. With this in mind please indicate below whether or not a permit is desired and return to Supply and Services Branch, Room GC-11, no later than 27 September 1963. If arrangements have been made to participate in a car pool, please coordinate so that requests are not duplicated.
